EXPRESSION OF INTEREST

Provision of Telecommunication Services for the UN Campus in Bonn, Germany

Issue Date: 27.01.2010

Close Date: 10.02.2010 16:00 hours (Bonn time)

The United Nations Organizations in Bonn (UNBONN), which are represented by United Nations Volunteers (UNV), would like to invite qualified companies capable of providing different Telecommunication services (**Voice Carrier Services, Internet Services, Mobile Carrier Services**) for the UN Campus, which hosts 19 independent UN organizations, to submit their Expression of Interest (EOI) to provide the required services.

Scope of Service

The UN Campus accommodates 18 organizations in the 'Langer Eugen' building and one is temporarily located at 'Haus Carstanjen' premises in Bonn. Sharing the same buildings gives opportunity to also share certain services while gaining efficiencies and saving costs. The shared Internet connection and the telephone exchanges are two systems managed and supported by the Common Services Unit of the UN Volunteers program on behalf of the wider UN community in Bonn.

Both Internet and Voice Carrier Services are to be renewed based on changed technical requirements and usage profiles. With regard to the planned renewal and modernization of the telecommunications infrastructure in 2010 and the following years, UNBONN aims for a harmonization of the Voice and IP/Internet infrastructure.

In the area of mobile communication, today various individual frame contracts are used by the different UN organizations in Bonn. UNBONN aims to consolidate this situation by contracting a new frame contract with a Mobile Service Provider.

EOI Details

Only companies with the relevant business profile and experience in supplying the above described services in Germany will be considered as qualified.

Internet and Voice Carrier Services will be tendered as a package separately from the mobile carrier services to enable also partial bids for only one of the two packages.

Interested companies should submit their EOI, as well as the following documents:

- A brief presentation of your company, including company profile,
- Documentation of relevant experience in this field,
- A reference list of at least three customers in Germany whom we can contact (including names, addresses, email, telephone and fax number),
