

Flooding in Mozambique northern Cabo Delgado province following cyclone landfall on 25 April.

Urgently recruiting: UN Volunteers to support emergency response in Mozambique

This call closed on 20 May 2019. UNICEF and UNDP are looking for talented individuals who speak English and Portuguese and are available for immediate deployment on UN Volunteer assignments of three to six months to support the humanitarian response in Mozambique, providing support in the areas indicated below.

This call closed on 20 May 2019. In March and April 2019, Southern Africa was hit by two subsequent cyclones that left a trail of damage and destruction in their path. In Mozambique, Cyclone Idai left more than 600 people dead and an estimated 1.85 million people in need of humanitarian assistance. UNV is currently working to urgently recruit national and international UN Volunteers to support emergency response efforts by UNDP and UNICEF in Mozambique.

Areas of focus

- [Disaster Risk Reduction Analyst](#)
- [Cash-Based Interventions](#)
- [Communication for Development](#)

- [Information Management](#)

Requirements

A minimum of two years of professional experience (for national UN Volunteer assignments) and at least five years of professional experience (for international UN Volunteer assignments) in the above-mentioned areas of expertise, as well as proficiency in Portuguese and English.
