

Volunteers

Events

UNV delivers a **personalized solution** to support event management by mobilizing event volunteers to perform **essential operational and logistical roles**, and to meet the personnel **requirements of partners**.

Advisory services

Knowledge transfer

Volunteer management

V4E applies a tested approach covering the whole **volunteer cycle** to mobilize and manage the short-term event volunteers.

Volunteering for Events - resources

UNV has a wide array of experience in managing volunteers for events. Here are four resources, available for free use, for our partners to use in managing volunteers in their own events.
