

UNV Strategic Framework 2014-2017: Innovation and knowledge

Through its UNV Strategic Framework 2014-2017, UNV supports efforts to advance innovation and knowledge by focusing on building a credible body of knowledge informed by research, innovation and evidence in order to advocate and enhance the integration of volunteerism into peace and development programming.

Through its UNV Strategic Framework 2014-2017, UNV supports efforts to advance innovation and knowledge by focusing on building a credible body of knowledge informed by research, innovation and evidence in order to advocate and enhance the integration of volunteerism into peace and development programming. UN Volunteers support partnerships especially in terms of engagement with civil society at all levels, creativity in addressing local challenges and facilitate innovative forms of volunteering to increase the depth and breadth of civic engagement.
