

International Volunteer Day 2021

Through the International Volunteer Day 2021 campaign, we celebrate the power of volunteerism to help create a better future. For the generations of TOMORROW, we must work to build a better future NOW.

UNV coordinates International Volunteer Day on 5 December every year to recognize and promote the tireless work, not just of UN Volunteers, but of volunteers across the globe.

Every day, volunteers dedicate time and effort to ensure the inclusion of those often left behind, drive climate action and advance the Sustainable Development Goals (SDGs).

In the lead up to **#IVD2021**, join us in celebrating the contributions of millions who **#VolunteerNow** for our common future!
