

International Volunteer Day 2018

International Volunteer Day (IVD) 2018 recognizes volunteers worldwide – with a special focus on local community volunteers – who contribute to making their communities more resilient against natural disasters, economic stresses and political shocks. #IVD2018 focuses on the values of volunteerism through the appreciation of local volunteers, including the marginalized groups and women, who make up nearly 60 per cent of volunteers worldwide, and their impact on building #ResilientCommunities.
