United Nations Volunteers (UNV) and the spirit of volunteerism

Volunteerism engages people from the ground up to make lasting changes. The United Nations Volunteers (UNV) is the UN organization that contributes to peace and development through volunteerism worldwide. It promotes the spirit of volunteerism, which is spreading as a way of life. UNV is the only entity capable of mobilizing large numbers of highly qualified volunteers, who serve the UN system in war-torn communities, classrooms, hospitals and homes.
