UNDP Governing Council Decision (76/23) - see page 328

The GC decided to approve, as an interim measure, the use of the UNV SVF to finance the in-country costs of volunteers in least developed countries, pending approval of a permanent solution. In addition, the Governing Council requested the Administrator to submit a proposal on the long-term funding of in-country costs of the United Nations Volunteers programme to the Governing Council at its twenty-second session...
