UNDP Governing Council Report (DP/330)

Much progress has been made as regards to acceptability of the UNV programme by host governments and UN system Agencies. The Administrator urges Resident Representatives to give fuller consideration to utilizing the services of UNVs, whenever appropriate, during the country programming and project formulation stages. At the same time the Co-ordinator and his staff are paying extensive visits to the field in order to assist in programming and
programme formulation stages.

Sustainable Development Goal:
