UNV emergency response in Palestine

In the face of escalating violence, Israeli air strikes on Gaza and clashes in the West Bank, the UN Country Team in the State of Palestine is mobilizing resources and organizing the humanitarian response.

The UN Volunteers programme (UNV) is ready to support the UN in Palestine by deploying the needed capacities in the field as identified by the UN OPT flash update.

UNV offers a diverse range of online and onsite volunteer categories – from UN Community, Specialist and Expert Volunteers – to fit the needs of the emergency response and the recovery phases.

UNV has available sample DOAs to support the UN Country team quickly define the needs
