Descripción de la asignación de voluntarios NU

CAFR000711--UNV Logistic Officer

El programa de Voluntarios de las Naciones Unidas (VNU) es la organización de la ONU que contribuye a la paz y al desarrollo en todo el mundo por medio del voluntariado. El voluntariado es una forma poderosa de involucrar a los ciudadanos para hacer frente a los desafíos en materia de desarrollo, y capaz de transformar el ritmo y la naturaleza del mismo. El voluntariado beneficia tanto al conjunto de la sociedad como a los voluntarios, fortaleciendo la confianza, la solidaridad y la reciprocidad entre las personas y creando oportunidades de participación apropiadas. Para impulsar la paz y el desarrollo, el programa VNU promueve el reconocimiento de la contribución de los voluntarios, trabaja con sus asociados para integrar el voluntariado en los programas de desarrollo y moviliza en todo el mundo a un número cada vez mayor y más diverso de voluntarios, incluidos Voluntarios de las Naciones Unidas. El programa VNU entiende el voluntariado como universal e incluyente, y reconoce el voluntariado en toda su diversidad, así como los valores que lo sustentan: libre albedrío, entrega, compromiso y solidaridad. En la mayoría de las culturas, el voluntariado está profundamente arraigado en antiguas tradiciones de cooperación y apoyo fuertemente establecidas entre las comunidades. En este contexto los Voluntarios de las Naciones Unidas participan en varias formas de voluntariado y juegan un papel esencial en el desarrollo y la paz junto a sus colegas, agencias receptoras y comunidades locales. En todas las asignaciones, los Voluntarios de las Naciones Unidas promueven el voluntariado por medio de su acción y conducta. La participación en actividades voluntarias puede enriquecer efectiva y positivamente su entendimiento de la realidad local y social, así como también crear un puente entre los voluntarios y la gente de la comunidad receptora. Esto hará que su tiempo como Voluntario de la ONU sea aún más satisfactorio y productivo.

Condiciones de vida

Central African Republic is a non-family duty station with a difficult security and working environment. The
country is landlocked with very limited travel possibilities and surrounded by countries with volatile and security problems (Chad, DR Congo, Sudan, South Sudan and Cameroon). Volatile socio-political situation and social unrest and grievance in particular in the capital city Bangui with frequent civil servants strikes causing interruption of health, education and civil service due to years of unpaid salaries. Power cuts are a norm causing insecurity in town. The population in Bangui including the expatriates is concerned about increasing cases of criminalities as a direct result of the March 2013 coup by the SELEKA – a coalition of rebel groups and recent events in December 2013 that carried the country into a chaos.

The country is totally dependent on Cameroon sea port situated 1500 kms away causing regular shortage of basic domestic goods. Travel time from Douala (Cameroon) to Bangui for a truckload averages a week because of very bad roads and several roadblocks. The country security level is between 3 and 4 restricting movement to official travel only.

Currently the curfew applies from 10 pm to 5 am.

This situation puts tremendous stress on staff and their family members. There are very limited medical infrastructures and services do not function properly. Nevertheless, a UN Dispensary provides basic medical care for the UN personnel and the UN hospital built is operational since August 2014.

Only four airlines officially recognized by UN System serve the country: Air France (once a week), Royal Air Maroc (twice a week), Kenya Airways (three flights per week) and Asky (three flights per week). Flights are sometimes subject to cancellation when security situation volatility increases.

Staff in Bangui (MHQ) lives on local economy by renting apartments and houses. In comparison to 2014 more accommodation is available but with high costs therefore sharing is recommended. Supermarkets having all variety of food and appliances are available but costlier than normal process. Also Level II Hospital run by military medical team is available next to the MHQ.

Bria (Sector East HQ) is located in eastern CAR, approximately 600 Km from Bangui (capital city). Security situation is stable there, no need for an escort. MINUSCA has constructed tented camp for civilian personnel with air-conditioned and acceptable standards and prefabricated accommodation camps started in May 2016. Similarly installation of office prefabricated units also ongoing. There is catering services provided by a commercial entity on payment basis also the local market is well furnished of basic goods and opened all the week. There is Level2+ fully equipped military hospital in the Bria Green field where all civilian, military camp components are situated.

Bouar (Sector West HQ) is located in western CAR, approximately 500 Km from Bangui (capital city) where living conditions are quite acceptable. The local market is opened every day and well furnished with seasonal fruit and basic goods. Military Level I clinic exists but the mission has plan to provide better facility. MINUSCA has constructed tented camp for civilian personnel with air-conditioned and acceptable standards and prefabricated accommodation camps started in May 2016. Similarly installation of office prefabricated units also ongoing. There is catering services provided by a commercial entity on payment basis. The security situation is stable but an escort is needed for some distance.

Kaga Bandoro (Sector Centre HQ), is located in the center is 320 Km far from Bangui and the same living conditions of Bria applies here.

Rest & Recuperation (R&R) scheme in Bangui has been re-established since August 2013 and maintained for all CAR duty stations to a 6 weeks frequency. Living conditions are becoming more and more difficult due to the high cost of living and the scarcity of basic products and food. Fresh vegetables and fruits are available in the market. There is no MINUSCA Guest House in Bangui. Private accommodation possibilities are limited and getting a house according to the security measures can take about 4 weeks or more. Nevertheless, currently all serving UN Volunteers have a decent accommodation ensuring minimum and above the minimum standard of comfort. The average cost for accommodation varies from around 500 USD, for a small apartment with no furniture and no power generator, to 1700 USD with all commodities.

For the sake of rewarding experience, UN Volunteers in CAR carry out their duties with flexibility, commitment, and a willingness to live and work in challenging conditions including heat and limited water and electricity supply.

Conditions of Service for International Specialist:

The contract lasts for the period indicated above with possibility of extensions subject to availability of funding, operational necessity and satisfactory performance. However, there is no expectation of renewal of the assignment.

A UN Volunteer receives a Volunteer Living Allowance (VLA) which is composed of the Monthly Living
Allowance (MLA) and a Family Allowance (FA) for those with dependents (maximum three).

The Volunteer Living Allowance (VLA) is paid at the end of each month to cover housing, utilities, transportation, communications and other basic needs. The VLA can be computed by applying the Post-Adjustment Multiplier (PAM) to the VLA base rate of US$ 1,651. The VLA base rate is a global rate across the world, while the PAM is duty station/country-specific and fluctuates on a monthly basis according to the cost of living. This method ensures that international UN Volunteers have comparable purchasing power at all duty stations irrespective of varying costs of living. The PAM is established by the International Civil Service Commission (ICSC) and is published at the beginning of every month on the ICSC website http://icsc.un.org.

For UN Volunteer entitlements, kindly refer to the link https://vmam.unv.org/calculator/entitlements

In non-family duty stations that belong to hardship categories D or E, as classified by the ICSC, international UN Volunteers receive a Well-Being Differential (WBD) on a monthly basis.

Furthermore, UN Volunteers are provided a settling-in-grant (SIG) at the start of the assignment (if the volunteer did not reside in the duty station for at least 6 months prior to taking up the assignment) and in the event of a permanent reassignment to another duty station.

UNV provides life, health, permanent disability insurances as well as assignment travel, annual leave, full integration in the UN security framework (including residential security reimbursements).

UN Volunteers are paid Daily Subsistence Allowance at the UN rate for official travels, flight tickets for periodic home visit and for the final repatriation travel (if applicable). Resettlement allowance is paid for satisfactory service at the end of the assignment.

UNV will provide, together with the offer of assignment, a copy of the Conditions of Service, including Code of conduct, to the successful candidate.
