

UNV Offer to Support the UNHCR Libya Crisis Response

UNHCR, the UN Refugee Agency, and its teams in Libya are scaling up operations to respond to the fast-growing needs of thousands of internally displaced people, refugees, and others affected by the devastating floods caused by Storm Daniel.

UNHCR teams, in collaboration with national and international partners, are leading the UN's coordination for shelter, non-food items, and protection.

What UN Volunteers can bring to UNHCR emergency response

Impact

Comprehensive range of volunteering solutions, National and International, offering different levels of professional experience and bringing various age groups, nationalities and gender, that can be integrated/ combined for a maximized impact.
